

--

This image shows a full page of handwriting practice paper. It features multiple rows of horizontal lines designed to help children learn letter formation. Each row consists of three parallel lines: a top line, a middle line, and a bottom line. The area between the middle and bottom lines is shaded light blue, while the area between the top and middle lines is white. Vertical dashed lines are placed at regular intervals across the page to provide additional guidance for letter width and alignment. The paper is otherwise blank, with no text or markings other than the guide lines.[illegible]
